

CORPORATE FACT SHEET

Overview

Courtroom Insight, Inc. (www.courtroominsight.com) provides professional services and critical information for the litigation industry. In early 2010, the company launched an online knowledge management system designed to help attorneys and other litigation professionals efficiently and inexpensively locate, evaluate and communicate with expert witnesses, mediators, arbitrators and judges. Courtroom Insight is the first directory to offer both detailed profiles of these service providers as well as authenticated attorney reviews of the individuals. The company was founded in 2009, and is headquartered in San Francisco, California.
